Dear ①,

First of all, we give you praise. You are the same yesterday, today, and always. You are ②, and You are the Best! We admit that we have not always been the people You’ve made us & called us to be. We’re sorry if we have ③ You, God. Please forgive us, and please us help us every day.

God, thank you for creating us and keeping us going. Thank you for saving us and for ④. You have shown that You are always faithful, so we trust you with all the things that concern us:

- Give strength & healing to those who are sick or injured, including ⑤.
- Please help the helpers, like ⑥, who need extra energy and kindness to keep serving others.
- We lift up our leaders, including ⑦, so they’ll be given wise advice as they work on our behalf.
- For all your people around the world who gather to worship & serve You, like in ⑧, we pray they enjoy Your Presence.
- Be with our friends, coworkers, classmates, & neighbors who are having a tough time right now.
- We pray for our whole church family and that You would fill us with ⑨.
- We ask that everyone in our families will be reminded that You love them, and today we especially mention ⑩.

Thank you for hearing all our prayers. In Jesus’ name we all pray all these things. Amen.
